MEMORANDUM FOR: Director of Central Intelligence
VIA : Deputy Director of Central Intelligence
FROM : Sayre Stevens
Deputy Director for Intelligence
SUBJECT : DoD Support to Middle East Analysis Project
REFERENCE : ER 77-7193 77-6794/4

Action Requested: None. For your information only.

Secretary Brown nominated two Air Force and two Army officers for this project on 19 April. We selected one Army and one Air Force officer to begin work on the afternoon of 20 April. You will recall that the PRC meeting of 19 April set a deadline of 5 May on this project. We will be working closely with David Blee on this paper.

I talked to SecDef about your State/CIA Mideast analysis project. He is happy to try to cooperate by assigning a couple of Army and a couple of Air Force officers. We left it that you would contact his Executive Assistant, Rear Admiral Staser Holcomb, and work out any details.

MEMORANDUM FOR: Dr. Sayre Stevens

FROM : Admiral Turner

The President asked me whether the estimate that oil production and demand curves would cross in 1982 was a drastic change from previous estimates. He asked if we would give him a little piece in the PDB showing a comparison of our estimates previously with those of today.
